

2021 RENAISSANCE FESTIVAL- Chess Booth

The KC Renaissance Festival near Bonner Springs, KS runs 7 weekends in the Fall starting Labor Day weekend and running to weekend after Columbus Day weekend this year. It is the major fund raiser for Kansas Chess Association and has been for almost 20 years. It is dependent on people volunteering to help with the booth (actually 100% volunteering). Volunteers get in free to festival. They help raise money at our booth called "Knight Moves." They raise money by playing chess against people who want to challenge us (and also by donations people make).
